Rotary Youth Exchange

2 WEEKS IN JULY YOU´LL NEVER FORGET!
INVITATION TO ROSKILDE INTERNATIONAL SHORT TERM SUMMER CAMP 2026 from July 20 to July the 31st plus the two adjoining weekends with family stay.
More than 2500 years of Denmark's history can be experienced in the city of Roskilde, dating back to the Iron Age through the age of the Vikings, up until modern day Denmark. Camp participants will experience a trip through history, how the Vikings lived, how they explored the world, how the kings of the middle ages resided in beautiful castles, and how Danish society has evolved into the democracy it is today – one of the happiest in the world.

We invite you to join an exciting international summer camp offering unique opportunities to connect with other young people from all over the world hoping to foster cultural understanding through shared experiences.
